Figure 1. Distribution of Working Groups and tasks

**WG-1: State of the art & harmonization of the evaluation**
- T1: Map of current projects, initiatives and relevant actors
- T2: Critical review of current state of the art in research
- T3: Comprehensive measurement framework

**WG-2: Multimorbidity Consensus**
- T4: Patients
- T5: Health professionals
- T6: Researchers

**WG-3: Dissemination and training**
- T7: Design of a web platform
- T8: Annual International Workshops
- T9: Curriculum in multimorbidity

**WG-4: Strategic agenda**
- T10: Consolidation of a research network
- T11: Priorities in multimorbidity research
- T12: Health policy agenda
